

KENDAL FOLK AND FOOD FESTIVAL

17th- 18th June 2023

Food and /or drink businesses

Kendal BID is bringing a food festival back to Kendal.

We are holding the Kendal Folk and food festival over the weekend of 17th and 18th June 2023. Starting at 11am on the 17th and finishing at 3pm on the 18th We would like as many of Kendal's businesses to be involved as possible.

As a business offering either food or drink there are two ways you can get involved.

We intend to have stalls in locations throughout the town, where businesses can promote and sell their fare. This will enable your business to showcase the best of what your business offers. We would like stalls to stay open until at least 7.30pm on the 17th

Each stall will be allocated a 3mtr x 3mtr or 3mtr x 2mtr space (depending on location) In some locations electricity could be available, however if serving hot food we recommend you provide your own heat source.

Alternatively, we understand that you might not be able to take a stall, due to not having staff available or for any other reason. Therefore if you can let us know of something special you can offer at your own business location, for the duration of the festival, we would put your offering and your business details into the festival program and map for people to find you. If you normally close early in the day please consider extending your opening hours to ensure you maximise business.

We are also looking for venues that would be happy to host a folk musician/ group who will be playing at the festival.

If you would like to be included in the Kendal Folk and Food Festival please in the first instance, complete the form overleaf and return it to manager@kendalbid.co.uk

or post to Kendal BID 18 Highgate, Kendal, LA9 4SX
